## WISCONSIN STANDARDS FOR Health Sciences

Wisconsin Department of Public Instruction  
Jill K. Underly, PhD, State Superintendent

### DPI 2023 Health Science Standards

Stay tuned for the updated/revised Health Science standards!! Thank you to everyone that provided feedback on the rough draft survey that was sent out this summer. Your input will provide information to making the standards user friendly when developing scope and sequence for your courses!! Its been 10 years since the last revision and the changes can be seen across the board.
