

## WISCONSIN DPI PRE-CONFERENCE SESSION

THURSDAY, NOVEMBER 9, 2023

Location: Appleton, WI - Venue TBD

*Christina Patrin, Wisconsin DPI Health Science Education Consultant*

### 7:00-8:00 PM Regional Career Pathways - Direct Patient Care

This workshop style session will focus on the newly revised Direct Patient Care Career Pathway and allow teachers to map out their program's quality components. Each pathway component will be discussed. Teachers will identify areas of focus, discuss barriers within their programs, and what is needed to increase student participation in this pathway.

**8:00-8:30 PM DPI Updates** - Introducing the Newly Revised Health Science Standards and provide an update on Health Science Licensing

**8:30-10:00 PM Educator Networking Reception**
